CORRIGENDUM-IV

CHANGES TO THE ELIGIBILITY CRITERIAL FOR THE HPC ARE
DETAILED BELOW

Change 1:

Existing Point 5:- In case the bidder is a System Integration Partner of the OEM, a certificate from the OEM clearly stating the relationship and level of partnership with the Partner and authorisation to the Partner to quote for this specific tender enquiry is to be furnished. One OEM can authorise one partner only and one partner can represent only one OEM

To be replaced by (Pl. note the last statement is removed from above para):

Changed Point 5: In case the bidder is a System Integration Partner of the OEM, a certificate from the OEM clearly stating the relationship and level of partnership with the Partner and authorisation to the Partner to quote for this specific tender enquiry is to be furnished.

Change 2:

Existing Point 7:- The bidder should produce documentary evidence of having supplied and installed an Intel Lustre based parallel file system of at least 50TB (in a single order) to higher educational institutions like IIT, IISER, TIFR etc.) and satisfactory performance of the installed parallel file system.

To be replaced by (Bidder is changed by Bidder/OEM):

Changed Point 7: The Bidder/OEM) should produce documentary evidence of having supplied and installed an Intel Lustre based parallel file system of at least 50TB (in a single order) to higher educational institutions like IIT, IISER, TIFR etc.) and satisfactory performance of the installed parallel file system.
